

District Goat Club 100 Club Form

the year is £12.00, with the first draw in March each year. One draw is made each month, with half of the total takings for that month going to the winner. (The other half goes into club funds) Winners will be notified by the treasurer and results will be published in the quarterly newsletter. The 100 club is open to NDGC members and also to non-members. You may buy as many stakes for yourself as you wish, and also for family or friends. When buying for non NDGC members, please give full details of names, addresses etc so that they can be contacted by the treasurer. The more stakes sold, the bigger the monthly prize, so please join, and enrol as many people as you can!

The 100 club financial year runs from 1st March to end of February. You may join part way through a year by paying £1 per remaining month in that financial year.
